

2024 MCCULLOUGH POOL RULES

LIFEGUARDS

- Lifeguards will be staffed at the NC pool. The guard schedule is available on our website (www.mcculloughhoa.com, hover over Community Info, click Pool). The SC pool will remain swim at your own risk (SAYOR).
- The primary purpose of the lifeguard is to keep everyone safe. Lifeguards will consistently survey the water and pool area for safety, enforce rules, and provide first aid and rescue as needed.
- Lifeguards should not be confronted in a manner that is disrespectful or threatening. Failure to adhere will result in immediate removal and possible loss of pool privileges for the remainder of the season, pending the opportunity to be heard by a committee of the Board. *There will be zero tolerance for confrontation of any kind.*
- A safety break is scheduled every hour for 10 minutes. During this time all under the age of 18, residents and their guests alike, will be required to exit the pool.
- Lifeguards should not be approached when on the lifeguard stand. Doing so interrupts their ability to vigilantly assess the pool.

POOL ACTIVITIES
