4. Vehicles are to obey all city and state traffic regulations.
5. The Association has the right to block street parking on private roads for maintenance.

Restricted Vehicles, Activities, and Parking

Vehicles are to be wholly parked within the space lines allotted to one vehicle and shall not extend into the driving aisle. Vehicles are to be wholly parked on asphalt/concrete and not in grass or plant beds.
4. Junked vehicles may not be parked in the parking areas. A vehicle shall be deemed a junked vehicle if it does not display a valid license plate, or if it is in an inoperable condition, including but not limited to: flat tire(s), excessive damage to the body, wrecked or missing body parts.

Moving Trucks, Trailers & Containers

1. Moving trucks, trailers, and storage containers/pods are permitted on a temporary basis to facilitate residents moving in or out of their homes. Moving devices must not block sidewalks, ramps, or driveways, and they are strictly prohibited from being placed in common areas or on any unpaved surfaces. If the size of the moving device prevents it from being parked in the driveway while adhering to community rules, the owner must request approval for alternative temporary placement.
2. To request permission for a moving vehicle, trailer, or container to be placed on a street within the community, the owner must submit a written request to Kuester Management Group (support@kuester.com) at least seven (7) business days before the scheduled move. The request must specify the type of moving vehicle or container and the exact dates it will be stored in the street area. Under no circumstances will approval be granted to park a moving vehicle or container on the street for more than seven (7) days. Non-compliance with this policy will result in a fine of Fifty Dollars (\$50) per container, per day until the issue is resolved.

Any vehicle that is found to be in violation of these rules and regulations or the Declaration of Covenants, Conditions, and Restrictions will be subject to being towed at the owner's expense, potential fines, stickered, or other penalties as set forth by the Board of Directors.
